Mr. A. A. Graham of 181 N. Elizabeth Street, Chicago, Ill., is so pleased with the results derived from taking Duffy's Pure Malt Whiskey, when nervous and run down, he wishes to tell the public, so that men and women who need a good tonic stimulant may know what the world's best tonic and nerve builder has done for him.

Mr. Graham writes: "I have just finished using four bottles of Duffy's Pure Malt Whiskey for a generally run-down and nervous condition, and I am so gratified at the results that I feel in duty bound to send you a few words of praise of it. I can truthfully say that it worked wonders with me, and I will cheerfully recommend it to anyone, young or old, who is suffering as I had suffered before using your tonic stimulant. Hope this statement will be the means of helping some unfortunate sufferer."

Leading doctors agree that Duffy's Pure Malt Whiskey has no equal as a destroyer of poisonous germs in the body. It is indorsed by clergymen of every faith, nurses and doctors of all schools, as a positive cure for dyspepsia, indigestion, nervous prostration, all diseases of the throat and lungs, every form of stomach trouble; malaria, chills, fever and all run-down, weakened, diseased conditions of the body, brain and muscle.
